Sales Over Time

Technology leads in sales contribution

Technology accounts for the highest portion of total sales at 37% followed by Office Supplies and Furniture.

The West region outperforms all others

Among all regions, the west region generated the most sales, crossing 0.8M , significantly ahead of other regions.

Sales trend shows a decline over time

Sales over time exhibit a declining trend, especially noticeable post-2018, suggesting potential seasonal or operational factors affecting revenue.
